Can You Assist Us?

Hearing loss is invisible, so the needs of deaf people are often overlooked or misunderstood. The facts are that one in six people in Australia have a hearing loss means that the inability to hear can create barriers to communication in many areas. This can lead to educational, social and vocational disadvantage. The Tasmanian Deaf Society Inc. works towards eliminating these barriers to ensure all people with a hearing loss can be part of the community.

Ways in which you can support our work:

Donations:

Donations of \$2.00 and over are tax deductible. If you would like to make a donation, please complete the attached donation form and return it with your gift. A receipt will be sent.

Fundraising:

The forming of a Fundraising Group, being involved in an existing auxiliary or getting your club or business to support our work is yet another way to help. Organising a one off fundraising event can also benefit the Society.

Deferred Gifts:

From time to time the Society has received generous gifts and bequests from individuals wanting to contribute to our work. Bequests and income from estates and charitable trusts have directly benefited Deaf people by contributing to existing services and allowing us to budget for new ones.

We appreciate that this is a very sensitive and personal matter and we would encourage you to discuss it with your family solicitor. Alternatively you may like to make confidential enquiries by contacting Vicki Choraziak at the Society on 6231 6501.

YES!!! I would like to help Tasdeaf.
